

SIRIUS ISSUES MENTORING CALL

08.04.2021

Sisus Sirkus is offering artistic and productional mentoring for artists and companies, who are in the beginning of their career. For four months two artists and the producer of Sisus will give support in different subjects depending on the needs of the Mentee(s).

WHO WE ARE

Sisus is an all-female contemporary circus company from Finland.

Originally it was founded by five childhood friends who met at youth circus, grew up together sharing their lives both on and off stage and most importantly were unified by a great sense of humour. Throughout the years the company has grown and more members have joined (and been born into) the Sisus family, as the motto of the company goes

'More is more' With Sisus the dream of an own circus company has become reality.

Since 2014 they have done several projects as a company, and in August 2016 they premiered their first full length out door show Mosh Split. Currently Sisus is creating two new shows 'Split ends' and 'Plus Plus'. The Mentors in the mentoring program are Inka Pehkonen (Artist, Handstand, Washington Trapeze), Rosa Tyyskä (Artist, Cyr Wheel) and Farina Berndt (Producer).

WHAT WE OFFER

We have artistic and productional expertise. During the program we offer you zoom sessions. Based on your needs we will together specify the subjects of the sessions. We can give you support and answer questions concerning subjects like: budget, funding, creation process, residencies, touring, marketing and much more.

HOW TO APPLY

If you are an artist or an artistic company based in Europe and in the beginning of your career you can send us your application.

The application should include a text, in which you outline why you apply for the program, what you would like to get out of the mentoring program and in which way we should support you (max 1 A4 page) and your CV(s).
